## WEB TECHNIQUES CASTERS OPTION

Need to move your Web Techniques rewind system all over your facility?

Take it on the go! All you'll need is to add the caster option to your system.

Casters are now an option for any Web Techniques Rewind System! This option will alleviate the hassle of coordinating a move of your rewind system

### Features:

- Comes equipped with structural stabilizing bars.
- Four independent swivel casters.
- All casters lock for safety and stability once the system is in place.

### Benefits:

- Move your Web Techniques rewind system anywhere you have power in your facility!

WT-26/WT-30 SERIES CASTERS

WT-35 SERIES CASTERS

LOCKING CASTERS SHOWN

### Casters Option pictured above

\*Casters can also be retrofitted on any WT-25 series rewind system in the field.

This is my pledge to our customers. If it is not right we will make it right. We follow the Golden Rule at Web Techniques and treat others as we would want to be treated. If you ever have any questions or concerns about a Web Techniques product or service feel free to contact me directly. Thank you for your business!
